TOWN OF MOULTONBORO

REPORT OF SUPERINTENDENT OF SCHOOLS

Ambrose School Closed

As the time drew near for schools to open last September, it seemed evident that the Ambrose School was to be so small that we could not afford to maintain a separate school in that neighborhood. Accordingly the School Board voted to close the school and transport the children to the Corner School. This move will result in a saving to the district of nearly a thousand dollars. In addition it is now possible for a number of children to ride to school each day in comfort and safety, who would otherwise be required to walk.

Schools in War Time

In many ways, the fact of a nation at war affects our public schools. Two of the most important ways are dealt with in this report: (1) Civilian defense preparations. (2) Effect on regular school work.

Civilian Defense

Our location, some distance from large cities and factories, makes air raids seem unlikely. The results of surprise attacks in other parts of the world, however, makes preparedness by all civilians the only sensible course in this war. The practice of air raid drills is being held in all schools, that it may become a matter of regular routine. Each school is provided with the equipment suggested by state authorities for fighting incendiary fires. Special attention is given to first aid equipment and instruction. The State Police are cooperating in a plan of finger printing all children in the state to aid in identifying any who might be separated from their parents.

TOWN OF MOULTONBORO

Effect On Regular School Work

Greater interest is shown in geography and current events. Our pupils are becoming "map conscious" as they listen to radio news and read their weekly newspapers. Some pupils are knitting for the Junior Red Cross, working on squares which will be made into afghans. More attention than ever is given to a study of our American neighbors, including Canada, as well as Central and South America.

The need of investing a part of our savings in Defense Stamps is emphasized. Much stress is put upon the need of conservation of all materials—rubber erasers for pencils will be very hard to get; all supplies are much higher in price, therefore must be used to best advantage and nothing wasted.

Visual Education

Several times during the year our pupils have had the privilege of using one of the most useful and modern of educational devices, the sound motion picture projector. Films on various topics connected with geography, nature study, music, history, etc., have been shown in each of the schools. With proper discussion of the film lesson beforehand, and correlation with regular studies afterward, these film lessons can be made very valuable.

What Our Schools Are Doing

The Grammar School reports several enjoyable events, including a Halloween play for the Knights of Pythias children's program, a Thanksgiving party, and a Christmas entertainment with about seventy guests.

They have joined the Junior Red Cross, are buying defense stamps, collecting papers, and some of the older pupils are taking their part in First Aid courses and as substitutes on the Lookout Post occasionally.

TOWN OF MOULTONBORO

Hot lunches are provided for all who stay at school during the noon hour. Special attention is given to instruction in health and safety activities.

In the Primary School the work during this year has been carried on much as it has been during the previous four years. No special activities have been taken up; but the aim has been to lay a foundation for the upper grades to build upon.

When school closed last June Mrs. Leila Moulton invited the pupils to her summer cottage at State's Landing and furnished transportation. The outing was much appreciated.

At the beginning of this school year the enrollment in the Primary room was doubled—giving much less time for individual work; but the children adjusted themselves to the new situation quite quickly and they have worked together very well with good results.

Greene's Corner School is proud to report a 100 percent membership in the Junior Red Cross. They are equally proud of the fact that each member of Greene's Corner School has started a Defense Stamp Album. Several had their albums nearly filled by the latter part of January of the current year, two pupils have albums of the 25c stamp denomination already started, and some may have purchased bonds by the time this report comes out. The teacher is very grateful to pupils and to parents for the fine spirit they have shown in such worthwhile enterprises.

Some of the social activities of Green's Corner School during the year were: the Valentine party, School picnic at White Sand Pond, Plymouth Fair (upper grades and teacher), Halloween party, Thanksgiving Pageant, and the Christmas play and program including a beautifully decorated tree attended by a plump well-fed Santa Claus.

The School appreciates very much the treats furnished by Mrs. Wilbur Dearborn at various times, and the very appropriate aprons, made and given by her to the Puritan maidens for their pageant. To Mrs. Chester Davis, Mrs. Albert Downs, and Mrs. Lawrence Taylor thanks are due for the sweet and seasonable favors giv-

TOWN OF MOULTONBORO

en Greene's Corner children at Christmas. Gratitude is also expressed to Mrs. Charlotte Ames, Mrs. Alda Batchelder, Mrs. Elmer Goodwin and other parents and friends who have furnished transportation, food, and other favors that have made our picnic and other festivities so enjoyable.

The pupils of Moultonboro Middle Neck School are busy with regular and special lessons. They eagerly express loyalty to country and flag. Many current events, with related history and geography facts, call out genuine interest; particularly, they are building up information about Latin America. Mrs. Gleason's Music Appreciation is in line with Mr. Bushnell's presentation of sound films on symphony orchestras and their different instruments; Mrs. Daniel Worthen's victrola is used with various selected records, especially in observance of holidays. In this seed year of the pine trees, their cones have been studied and used for decoration. Clay modeling of animals pleases. Each individual child enriches the common school life with unique sharing of experiences, and loaning of treasures.

The school has made marked progress as a social group working for the interests of its members and for worthy causes beyond itself. Its 100 percent banking record, carried through 1940-1941, has been maintained thus far during 1941-1942. It generously donated to the March of Dimes. It has 100 percent Red Cross membership; an increasingly responsive attitude toward reminders from those of the school who buy Defense Stamps seems to foretell additions to their number.

The entire school whole-heartedly enjoys games and free play. Nobody seems likely ever to tire of the swings. The picnic at Forest Vale Camp and beach will long be remembered. Gladly everyone has participated in public performances at the home schoolroom, and with pupils from the other parts of Moultonboro in the Graduation Program and in the Pythians' Halloween entertainment and party.

Middle Neck School is indeed fortunate in having the sympathetic, vital helpfulness of parents and friends. It happily welcomes visitors.

Conclusion

It has been said that teaching may be done to groups of people, but that learning is always done by single individuals. Your teachers and superintendent are keenly conscious of the fact that we are trying to help with the education of individual girls and boys, whom sometimes we do not fully understand, and whose problems are not always understood by their fathers and mothers. We appreciate the friendly and sympathetic spirit which is so generally shown when parents discuss these problems with us. Let us continue to work together in these difficult times for the good of our children.

Respectfully submitted,
ALMON W. BUSHNELL, Superintendent

TOWN OF MOULTONBORO

REPORT OF SCHOOL NURSE

This report covers only work done since Sept. 2nd, 1941.

Pupils inspected	63
School Visits	51
Home Visits	31

Dr. Lovering has examined sixty children in the Moultonboro Schools and eighteen in the Center Harbor Village School (children who live in the town of Moultonboro) finding the usual amount of defects.

A very successful dental clinic is being held in Meredith with Dr. Pottle and Dr. Deneault. A large percent of the children are taking advantage of it.

Two children have obtained glasses and one tonsillectomy has been done.

I wish to express my appreciation for the cooperation which I have received from the superintendent, school board, teachers, parents and Red Cross of the community.

Respectfully submitted,

EVA A. HENEY, R. N.
